EDICATION

REVEREND FATHER
PATRICK J. MOLLOY

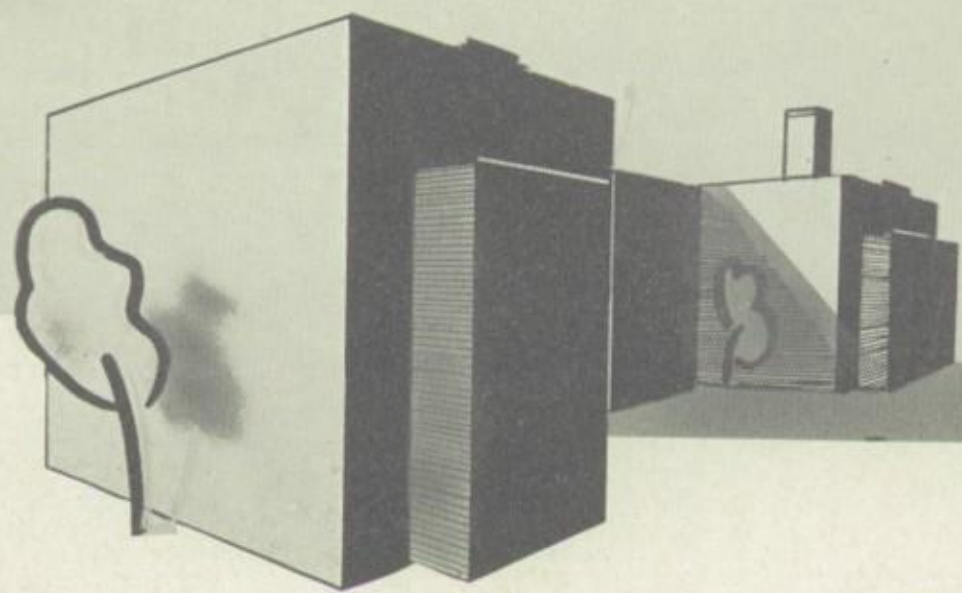

W E dedicate our 1951 edition of the *LION* to the pastor of St. Leo Parish, Father Patrick J. Molloy. Although he has been with us only a short time, his remarkable influence is felt already. Father Molloy has taken a great interest in school affairs and has become an ardent supporter of our activities.

His spiritual as well as material interest in our progress has been a source of encouragement, and his continual attendance at our school functions has proven his affection and loyalty.

We wish our new pastor every success, and we pledge our support in the work that lies ahead. His plans for immediate improvements for the parish and school are enormous, and we pray that God will spare him the health and energy he needs for the task he has set himself to do.

MEN OF LEO... *Over 3500 Graduates*

IN TRIBUTE

Msgr. Peter F. Shewbridge . .

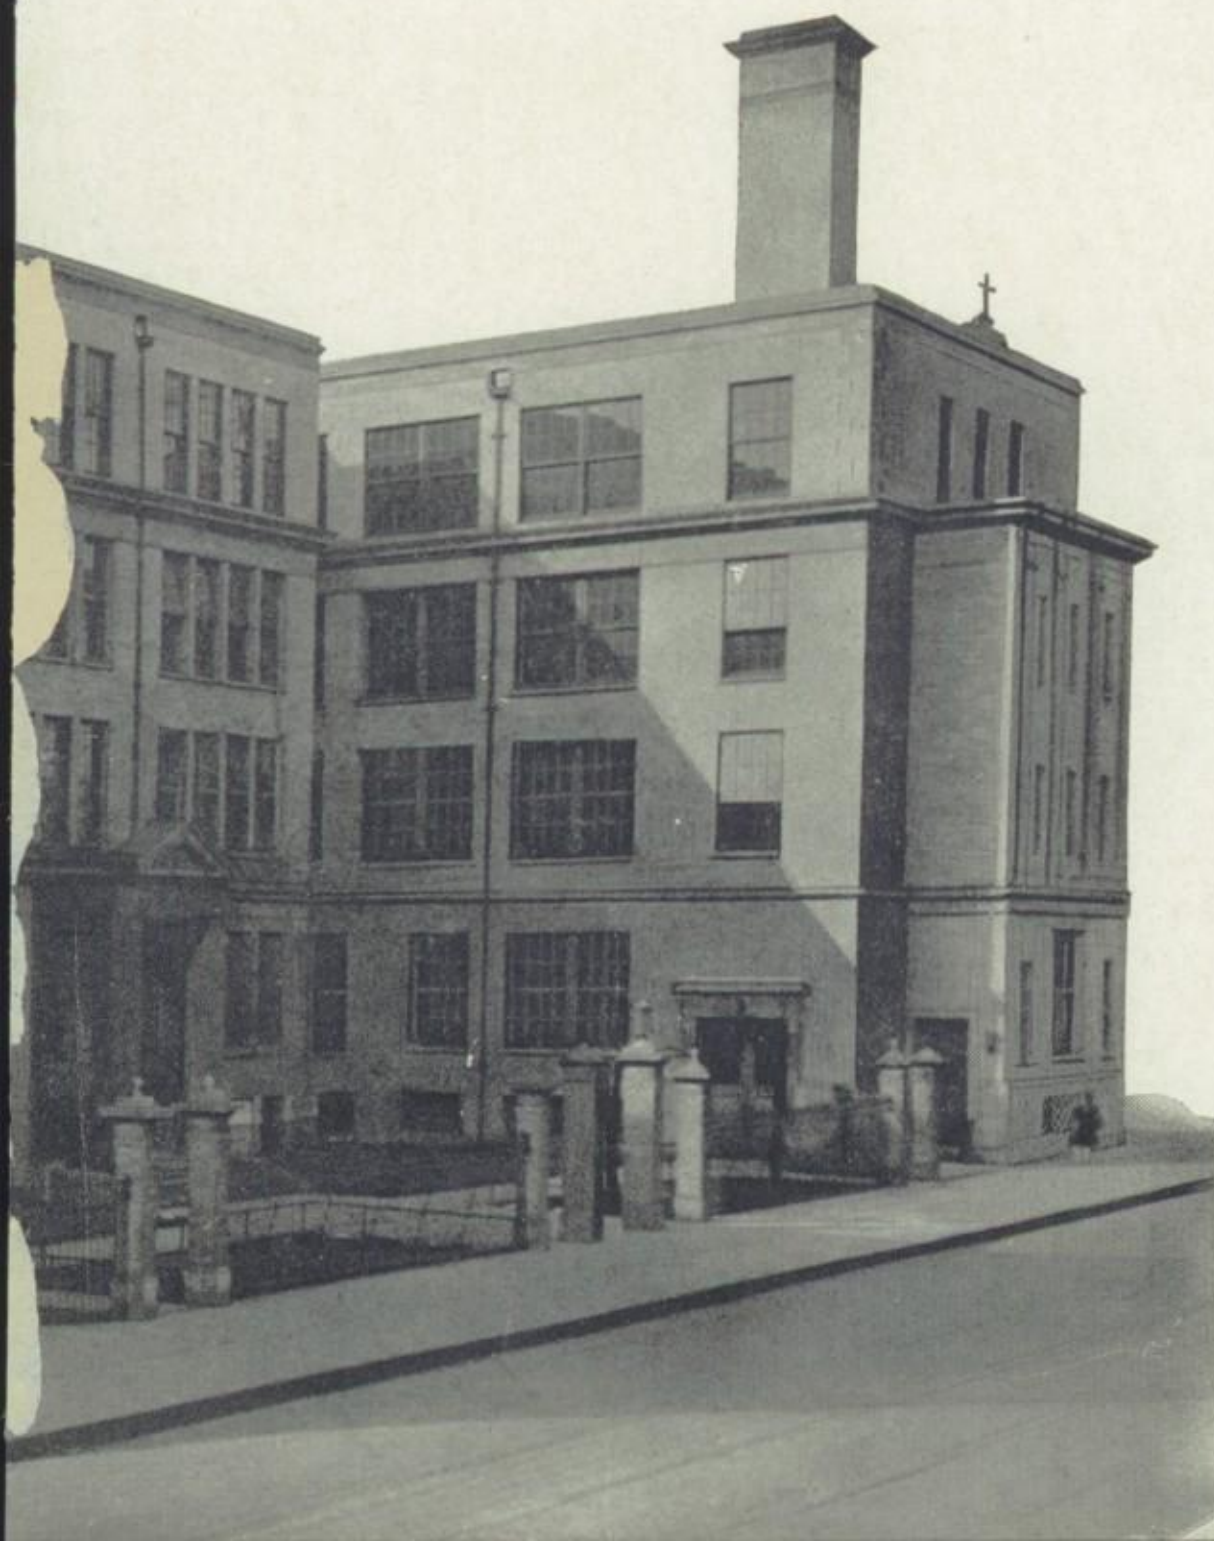

*... the Founder
and Builder of*
LEO HIGH SCHOOL

All of us were saddened at losing our greatest benefactor, Msgr. Peter F. Shewbridge, the founder and builder of Leo High School.

His achievements as pastor of St. Leo Parish are monumental. Besides parish improvements, Monsignor Shewbridge worked ardently in the construction of his school and built the athletic field which bears his name.

Monsignor was one of our most enthusiastic fans and took a lively interest even in the minor activities of the school. His continual energetic spirit was felt in every part of the school, especially our athletic events. Besides school spirit, Monsignor motivated within us a deep religious spirit through his many talks on First Fridays and other occasions.

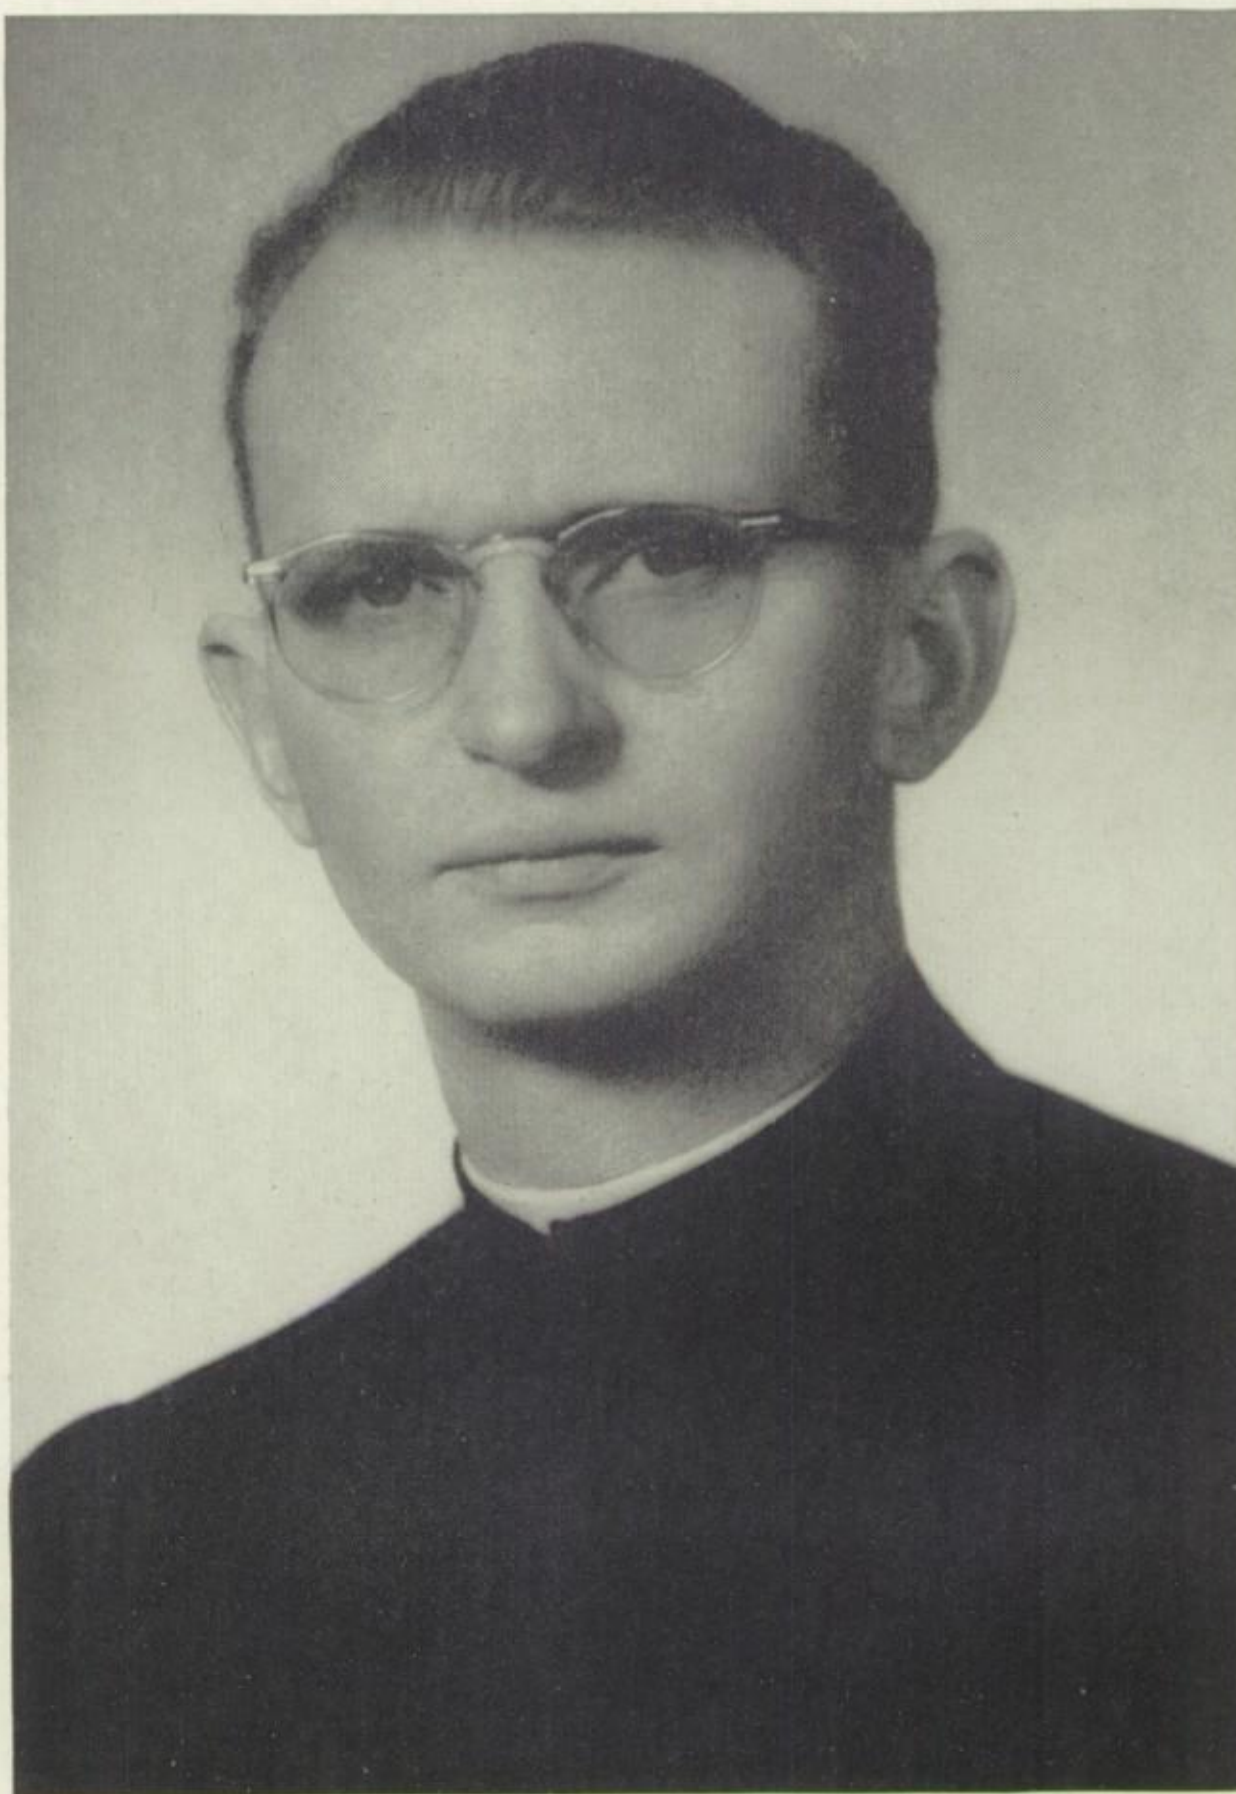

Our gratitude to him is tremendous, and we trust and pray that God will duly reward him for his many years of zealous labor. May he rest in peace.

PRINCIPAL
OF LEO
HIGH SCHOOL

Our Silver Jubilee Class, the Class of 1951, faces the world in a day of confusion, hatred and despair, when nations seem helplessly slipping downward toward catastrophe. If our "times are out of joint," it is because the world is philosophically bewildered; for at the root of our present calamities lies a conflict of philosophies.

Our pride and security at Leo High School stem from the knowledge that over the past twenty-five years our efforts have been motivated by Christian principles and our curriculum has been permeated by Christian philosophy — a philosophy which is based on the Catholic doctrine regarding man, his nature and his supernatural destiny.

The Class of 1951 represents the best in our tradition and heritage, and the members have given assuring promise that our pride and confidence in them are not misplaced.

Facere et docere — To do and to teach — is the motto of the Christian Brothers. Here at Leo our instructors have labored to give us a knowledge of literature and languages, music and art, science and mathematics, and most important of all, religion — the knowledge of our relation to our Creator. For their patience and understanding we are grateful. We will ever cherish the memory of these men as we take our place in life.

A QUARTER OF A CENTURY IN RETROSPECT

The Most Reverend
George Cardinal Mundelein

His Eminence
Samuel Cardinal Stritch
Archbishop of Chicago

The long foreseen need of a centralized Catholic high school to bring the blessings of a Catholic education within reach of all the boys on Chicago's South Side, was realized on September 7, 1926. On that date Leo opened its newly completed classrooms to one hundred twenty-two eager Bennies. Monsignor Shewbridge, pastor of St. Leo's, had labored and planned ardently before securing the consent of His Eminence Cardinal Mundelein to undertake the tremendous responsibility. Finally, on October 31, 1926, this great Prince of the Church dedicated the new school and prophesied for it a splendid future.

Monsignor Shewbridge had lived his whole life in Chicago, watching it grow from a city of wood and mud to a concrete and steel metropolis. Ordained in 1896, he was appointed to St. Leo's in 1918. He vigorously attacked the many problems of a large parish besides building and maintaining a high school plus founding Leo's Shewbridge Stadium, one of the finest athletic fields in the city.

One of Monsignor's most urgent needs was for a superior teaching order to inculcate the students of Leo with the highest form of a Catholic and a cultural education. To this end, the Christian Brothers of Ireland succeeded remarkably. Under the able guidance of its first principal, Brother Doorley, and his competent assistants, Brothers Grangel, O'Donnell, and Filehne, Leo firmly established its position in the Catholic High School system. The noted tradition and reputation of this new institution of higher learning was growing rapidly.

The first graduation was in 1930. The

ensuing years each brought new records in enrollment and scholarship. Countless clubs, organizations, and socials characterized the early years of the school. Full education, religiously, mentally, physically, and socially was not neglected.

In 1927, Leo won its first trophy, defeating St. George 21-0 in football. The March of Champions began in 1933 with Leo winning the Catholic Lightweight Basketball Title under Coaches Mr. Vaughan and Brother Loftus. No time was lost in gathering more trophies into the Lions' Lair with Leo netting three Catholic League Football and three Catholic Basketball titles in the next four years.

Besides proficiency in athletics, Leo students were winning coveted scholarships to Chicagoland universities, attesting the superior teaching of the brothers. Monsignor Shewbridge continued his enthusiastic support of school athletics, founded the Cisca organization among the students, and continued his spiritual care of the Leo boys. The "Oriole," the "Lion," the band, the dramatic club, and the athletic teams have grown with the school to a first place among Catholic schools. The Fathers' Club and the Mothers' Club, since the earliest days, have exhibited fervent loyalty to Leo and to the Brothers. Their wonderful cooperation and assistance has helped Leo's growth. In 1941 the new fourth story was opened to care for the swelling enrollments by students from every South Side parish.

Our greatest year in sports was 1941. Coached by Vince Dowd, the Heavyweight basketball team won the Catholic League Championship, defeating St. George 40-22; and

Right Reverend
Monsignor Peter F. Shewbridge

Reverend Father Patrick J. Molloy

25 Years of Leadership

also the National Catholic Championship at Loyola. Noted players were Farrell, Baranowski, and Baggott. The Lights, meanwhile, won both the Catholic Title and the Fenwick Tourney through such stars as Ruane, O'Halloran, and Richards. "Whitey" Cronin's powerful eleven trounced Fenwick 20-0, and crushed Tilden 46-13 for the All-City Championship. Leo's scoring in the later game set an all time record in the Prep Bowl. Baranowski, Hanlon, and Kelly were some of the many stars here.

In the following years the Lion eleven won All-City again in 1942, and the Catholic Title in 1947. Some of the stars of these years were Arneberg, McAuliffe, Thomas, Dunlap, Johnson, Prassa, and Bob Smith. The Lightweight Basketball team won the Fenwick Tourney twice — in 1946 and 1948, and under Brother Finch, the City Championships in 1945, 1947, 1948, and 1949. A few notable players were Fesmond, Koslowski, Moskal, Shannon, Lampkin, and Sheehan. The Heavies won the 1942 St. George Tournament and the Catholic Championship under Varnes. Coach Joe Gleason's Heavies won the South Section crowns in 1945, 1947, 1948, and 1949. Outstanding aces for this period were Davsen, Dick Collins, Dan Bagley, Skrabby, and Strasser.

The War put a new test to Leo's mettle. The school responded whole heartedly. Many graduates entered the Armed Forces, offering the supreme sacrifice. New courses were added to include the rapidly changing needs of technological warfare. A quickened pace in teaching enabled part of the class of '44 to graduate in January of that year.

Leo has remained ahead culturally and

scientifically with full use of its modern laboratories and spacious classrooms. The library has grown to contain several thousand books. The school standards have received the highest rating scholastically, and scholarships are even more numerous than before.

Through these years Monsignor Shewbridge continued his unceasing effort in behalf of the school, working with the principals and brothers whole-heartedly. In 1946, he was made Domestic Prelate as a reward for his heroic labors at St. Leo's. After his sudden death in May 1950, Father Molloy courageously took over the large responsibility of St. Leo's pastorate.

The graduates of Leo, now numbering over 3500, have been successful in every field. The responsibility for this and many other achievements rests upon the faithful and continuous work of the brothers to instruct the boys materially as well as spiritually. The ideal of a Catholic education lies in the complete and harmonious development of the whole man. The moral and cultural growth of the individual added to the attainment of physical and social capabilities forms the basis of Catholic education. This is the aim which the principals and teachers have constantly stressed in order to make the Leo graduate a man in every way.

The first twenty-five years of Leo's existence have been splendid beyond all comparison. We hope that through unfaltering cooperation outside the school, and especially through school spirit within, the name of Leo will continue to shine out across the world as a great educational institution.

Br. M. S. Curtis

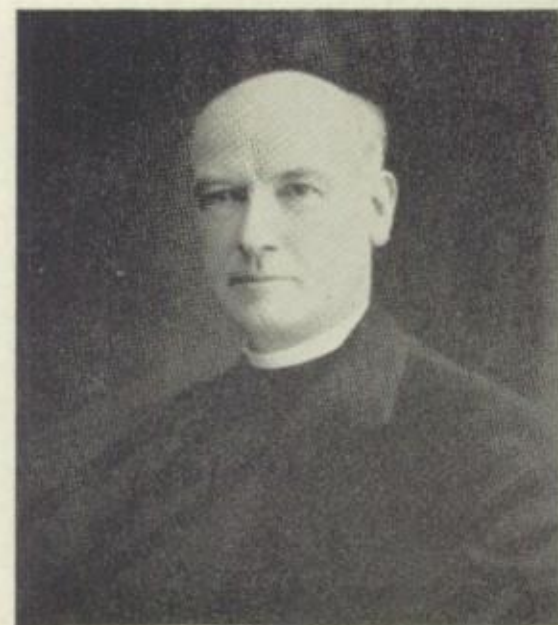

Br. P. E. O'Ryan

Br. P. D. McCarthy

Br. J. H. Vaughan

Rev. Brother Patrick A. Gleeson
Provincial of the Irish
Christian Brothers

Br. J. I. Doorley was the first principal of Leo High School. Heading the faculty of four brothers in 1926, he succeeded in establishing the school on a firm basis. After leaving Leo, he became an assistant to the Provincial of the Irish Christian Brothers and is now teaching at the Brothers' school in Buenos Aires.

Br. M. S. Curtis became principal in 1929. During his six years at this post, Leo grew rapidly and became one of the foremost schools in the city and a major contender in all sports in the Catholic League. He left Leo in 1935 for the West Coast, where he died July 15, 1936. May he rest in peace.

Br. P. E. O'Ryan succeeded Brother Curtis. He had taught Latin and History at Leo in 1933, two years prior to becoming principal. Brother O'Ryan, during his tenure here, expressly advocated scholarship and discipline and aided in building the tradition of the school to an even higher level. He left in 1941 to become principal of Cardinal Farley Military Academy in New York. He is now in Iona High School, New York.

Brother O'Ryan was replaced by Br. P. D. McCarthy in 1941. Brother McCarthy was on the staff some years before, having taught physics and mathematics from 1930-32. During the troubled war years, Br. McCarthy capably carried on the task of increasing the students' religious and cultural appreciation. He left Leo in 1947 and is now in Iona College, New York.

Br. J. H. Vaughan, our present principal, assumed duties here in 1947, after being principal at Power Memorial Academy, New York. He has stressed the attainment of Catholic leadership through scholarship and extra-curricular activities, thereby maintaining the traditions and the high standards of Leo.

LEO TEACHERS... *Past and Present*

Br. W. G. Grangel was on the faculty at the time of the opening of Leo High School in 1926. His teaching days, however, were soon to come to a close, for the saintly laborer in the vineyard of Christ died here at Leo October 4, 1927.

Br. E. S. Daly was on the Leo faculty for twenty years. He came in 1929 and left in 1949. During these years he served as Vice-Principal and librarian of the school. By his amiable personality and vigorous school spirit he endeared himself to hundreds of Leo students. Brother Daly now resides in New York at Cardinal Farley Military Academy.

Br. H. P. Tarrant came to Leo in 1927. With the exception of one year, 1929-30, he remained on the faculty until 1936, teaching English and mathematics. At present Brother is Dean of Iona College, New Rochelle, New York.

Mr. R. J. Blide joined the Leo faculty back in 1930. Except for a brief absence from 1932-34 and three years with our Armed Forces from 1942-45, he has been with us teaching English, Latin, and History. Mr. Blide is one of the few remaining faculty members who has witnessed Leo's rise and growth to fame.

Br. W. F. O'Sullivan came to Leo in 1930. While here he taught Latin and History. As Athletic Director he helped some of our greatest teams. In 1936 he was transferred to the West Coast, and in 1944 he returned to New York City to become Principal of Rice High School. He is now on the staff of Cantwell High School, Montebello, California.

Br. E. P. Mulvany joined the staff in 1928. He taught history and Spanish and took an active part in Cisca during its early days at Leo. Brother Mulvany is now on the faculty of Iona College, New York.

One of Leo's greatest band enthusiasts was Br. J. C. Collins, who joined the faculty in 1931. He taught Latin, English, art, and mechanical drawing. Before leaving in 1943, he helped build a very successful school orchestra. Brother Collins is now stationed at All Hallows High School, New York City.

Br. H. A. Filehne was a member of the original Leo faculty of 1926. During his years here he coached swimming and taught mathematics and history. He left Leo in 1937 to become principal of All Saints School, New York City. At present, he is an assistant to the Superior General of the Irish Christian Brothers.

Last June another faculty member of long standing left Leo. Br. J. C. Power came to us in 1934, and with the exception of two years spent on the West Coast remained at Leo until 1950. He taught Latin and mathematics and for a number of years held the difficult position of Dean of Discipline. Brother Power is now in the Brothers' Novitiate, West Park, New York.

The Leo Band was first organized by Br. J. D. Walsh, who joined the faculty in 1929. He taught English and French, was moderator of *The Lion* for several years, and acted as Dean of Discipline. He is now in New York on the Iona College Faculty.

Mr. L. A. Doll joined the Leo staff in 1936. For several years he taught English and History. In 1946 he succeeded Mr. Doyle as Registrar, and he holds that position at present.

Leo's first track team was organized by Br. W. A. Hennessey, who came here in 1929. Added to his daily work in the Lab, he produced several outstanding plays and organized a number of spirited pep rallies. Brother Hennessey was transferred from Leo in 1939. He is now Principal of Power Memorial Academy, New York.

The "Dean" of the Leo faculty is Mr. C. A. Reinke. He came in 1929, long before the silver sheen crept into his locks. For the past twenty-one years he has been with us teaching his commercial courses and watching a generation of Leo students come and go.

Br. F. J. Hamill joined the Leo faculty in 1929 and taught mathematics, physics, and chemistry. He was the moderator of *The Lion* for several years. In 1935 he was appointed Athletic Director, a position which he successfully held until his transfer to New York in 1941. Brother Hamill died September 23, 1946.

25 Years of Championship Coaching

THE MEN WHO BUILT

Mr. A. L. Cronin

The Leo "Lions" have built up one of the most impressive football records of any high school team in the city. The coaching staff has been excellent down through the years, but the name that invariably comes up when Leo football is discussed is "Whitey" Cronin.

"Whitey" replaced Leo's first football mentor, "Ike" Mahoney, in 1931. Although the new coach's first three years brought no outstanding teams, it was apparent to all that the caliber of football at the school was definitely on the upgrade.

By 1934 "Whitey" had a team trained in his own style of play, and the new school reared its head high and won its first Catholic League football championship.

Catholic Championships followed in rapid succession, and in 1941 "Whitey" harvested his greatest trophy, an All City title, and he repeated with the same the following year.

In 1944 Mr. Cronin relinquished his coaching duties at Leo. He left behind a record of achievements which will always stand out in the annals of Leo High School.

Mr. V. J. Dowd

V. J. "Vince" Dowd coached heavyweight basketball and track at Leo from 1938 to 1941. He also taught English. He brought Leo its greatest years in Basketball, winning six major championships during his four years here. In his first year, Vince won the Catholic League Heavyweight Basketball Championship and followed with two more heavyweight championships in the next three years. Probably his greatest championship was the National Catholic Heavyweight Basketball Championship which Leo won by defeating St. Francis Mission from South Dakota 49 to 41 at Loyola. He also led the Lions to one Catholic League Lightweight Championship and one Fenwick Lightweight Tournament Championship.

THE GREAT LEO TEAMS

F. J. (Ike) Mahoney was Leo's first coach. A very versatile mentor, "Ike" handled baseball, football and basketball with equal efficiency. Although he unfortunately won no titles during his tenure from 1927 to 1931, he laid the foundation for the successes which followed.

J. M. "Red" Gleason graduated from Leo in 1932 and earned letters in football, baseball, and basketball at Notre Dame. He returned to Leo in 1944 and coached football and basketball. He has won one Catholic League Heavyweight Basketball Championship, one Catholic League Lightweight Championship and one All-city Lightweight Basketball Championship.

Br. A. A. Loftus came to Chicago in 1928. Besides teaching English, Latin, and history, he coached the lightweight basketball team. He brought Leo its first Catholic League Championship in 1933. Brother Loftus is now an assistant to the Provincial of the Irish Christian Brothers and President of Iona College, New York.

Barney Varnes came to Leo in 1942 and left in 1943. He was one of the most successful coaches at Leo, although he only served the school for one year. It was in 1942 that his great Heavyweight squad captured the St. George Tournament crown and the Catholic League Championship.

Mr. E. J. Johnson came to Leo in 1931 and left in 1945. He served as assistant football coach to both "Whitey" Cronin and Joe Gleason. He was one of the finest backfield coaches Leo ever had, and developed many notable backfield stars. It was Johnson, working hard in the background and more or less unnoticed by the general public who helped the Leo teams with many championships during these fifteen years.

Br. F. R. Finch was at Leo from 1939 to 1948 as chemistry and mathematics teacher, athletic director, and lightweight basketball coach. He led the Lions to two All-City Lightweight Basketball Championships, two Catholic League Lightweight Basketball Championships, and two Fenwick Lightweight Tournament Championships.

Mr. C. C. Vaughan came to Leo in 1932 and left in 1937. During his stay at Leo, he brought the Heavies basketball squad to a South Section championship in 1933 and the Lights to a similar title in 1934. He taught mathematics at Leo and was very well liked by all his students and players. He was known as "Champ" to his many friends at Leo.

Allan Schuss coached at Leo from 1934 to 1936. Although he won no championships with the Heavies, he won a Catholic League Lightweight Championship.

Another noted characteristic of Leo is the whole-hearted loyalty of its Alumni to the school. A graduate sending his own son to his Alma-Mater attests his complete assurance that that school fulfills its obligations and also expresses his appreciation for the educational benefits he himself received. We hope this custom will continue and increase and so become traditional. As son follows father through Leo, may the new generations imitate the achievements of their predecessors in every way.

Class Officers

Our graduation marks the completion of a quarter century of education at Leo. The rich tradition of the past has been received by us and, we hope, increased. Our gratitude for the constant labors of our teachers and the ever-present interest they have shown in us is great indeed. We offer our most humble thanks for the many benefits they have given us. Leo will always remain in our pleasant memories, and we hope that its future will be enlightened by our earnest but meager contributions during our short four-year tenure.

SILVER ANNIVERSARY

Silver Jubilee

The time has at last come for us to take our place as upper classmen. We feel confident that we can continue to uphold the great traditions of Leo. Our honor roll list is impressive and so, too, our representation in the many activities around the school. We will endeavor to do our utmost to increase the glory of our Alma Mater by our continued loyalty to its aims.

Activities...

Besides regular class room sessions, the Leo students also have the opportunity to participate in a variety of extra-curricular activities. No education is complete without varied projects outside of class which are designed to bring an added interest to school life besides developing latent talents among the students. The arduous and self-sacrificing efforts made by these loyal boys for their school has strengthened their capability of success in spite of present world chaos by developing qualities of leadership, social grace, and perseverance. In the following pages, the *Lion* staff presents a permanent record of the many phases of our school life during the Silver Jubilee Year.

SILVER ANNIVERSARY

Dance Band

Seated: J. Vanek, J. Wheeler, E. Welsh, J. O'Neil, M. Napoli, S. Grasso. Standing: A. Hartell, A. Sullivan, J. Olson, R. Lange, J. Wunder, J. Blaesing, J. Yeskis, A. Hartman. Missing from Picture: P. Doody.

The Leo band still holds its place as an outstanding marching and musical group. The band is now fully accredited and each deserving member receives one unit of credit for his music studies; this is a great encouragement to the boys and a stimulus towards earnest and deserving effort.

Performances given at football games and parades were of a high standard. The band was very much in demand throughout the year at all public holiday festivities.

The concert season was certainly a busy time. The outstanding performance of the year was the annual spring concert at Mercy Auditorium on May 17th. The smartness and

precision of the marching and baton-twirling exhibition given by our Majorette Corps at our Spring Concert reflected great credit on Mrs. Lucille Olson, who trained the group. By way of preparation for the Spring Concert, the band gave performances at a number of high schools throughout the city, as well as to a number of social groups connected with the school.

Tribute must be paid here to the efficiency and untiring efforts of Mr. Leo Henning, our bandmaster, who received much valuable assistance from the associate bandmaster, Mr. John Kenny. With two such capable instructors so ably assisted by Br. M. H. Bradley, our moderator, there is little doubt that the band will continue to be the outstanding group that it is.

In its third year of existence, the Leo Student Council has tried, against some difficulties, to expand its activity program for the welfare and enjoyment of the student body. The Council's program has consisted of social, academic, and athletic activities. It has sponsored the Holiday Hop and the Homecoming Dance, which were both a great success. Of all the pep meetings the greatest success was the Bon Fire Pep Rally held before the big Leo and Carmel football game. This rally was the biggest in the history of the school.

We extend our wholehearted and cordial thanks to their efforts in conducting their program with such rare zest and for trying to raise the high standard of Leo.

West Park Parents' Club

Mothers

Seated: Mrs. J. T. Monahan, Treasurer; Mrs. C. Miller, President; Mrs. Mary Scanlon, Honorary President; Mrs. A. F. Lindeman, Secretary. Standing: Mrs. M. Donigan, Mrs. O. E. Cobb, Mrs. M. H. Walsh, Mrs. T. D. Donnelly, Mrs. I. C. Pilon, Br. J. B. Bowman, Moderator.

Fathers

Seated: Dr. M. H. Walsh, Mr. T. D. Donnelly, Mr. A. C. Cobb. Standing: Mr. I. C. Pilon, Mr. C. Miller, Mr. A. F. Lindeman.

The West Park Parents' Club is a recent addition to the activities of Leo. Its membership is made up of the parents of former Leo boys who are now members of the Christian Brothers of Ireland.

These good parents who gave their sons to the service of God in the cause of Catholic education are not content to rest on that great honor. Less than five years ago they banded together for the purpose of helping the work of the Brothers.

During the year they held card parties and sent the proceeds to the novitiates of the Brothers at West Park, New York, where at present there are 118 young men preparing to consecrate their lives to God.

We trust that the members of this worthy organization will continue to grow because we realize the great honor and blessing that will come to our alma mater when one of its members hears God's call.

The Library Staff

Joe Winblad, 4-D, checks a list to see what books we can get Wilson Library cards for.

Kirk Wagenseller and Paul Reilly choose the books from the shelves for cataloguing.

Gordon Skolaski, Glen Heywood, Thomas O'Brien, type orders for Wilson or L. C. catalogue cards, type catalogue cards, etc.

After the printed catalogue cards are received, Ken Kuis and Nickolas Nowicki paste in book pockets, while Ken Warsh and Ralph Dalicki check the order lists and put the cards into the proper books.

Paul Tucker makes the accession list while Frank Lawrence rules the back of the book and John Houtsma paints the black strips.

Malcolm Morrison marks the numbers on the back of the book.

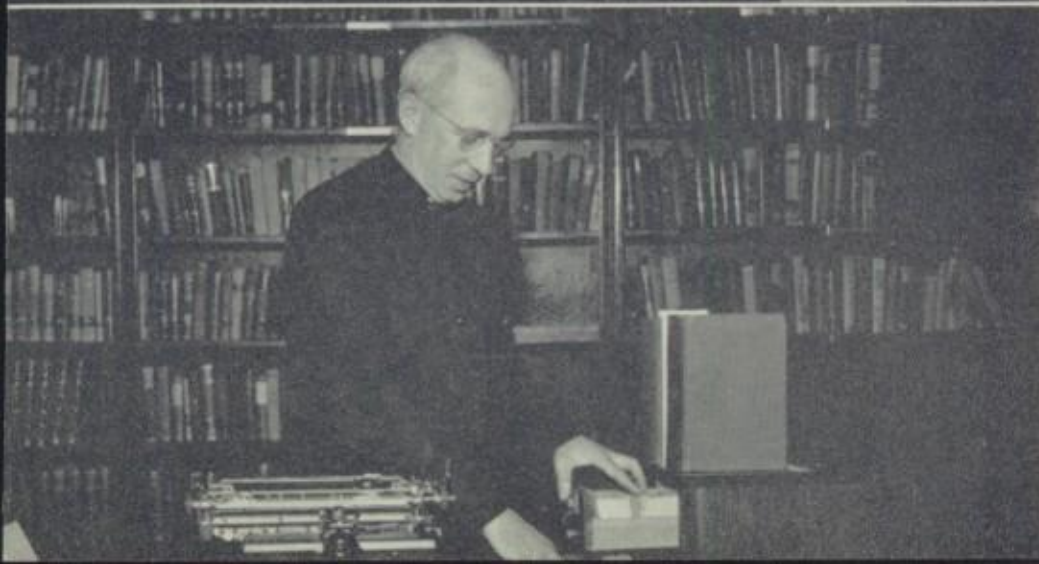

FILING THE CARDS

Bob Vanecko, Larry Metz, and Jim Duggan sort the cards and file them in alphabetical order. On the average five cards are required for each book.

Now the books have been fully clamped and catalogued and you may find your book and take it out. Bob Lynch, Dick Belik, Ray Sobyra, and Hugh Nichol.

Irish Cultural Society

The Irish Cultural Society is in its third year here at Leo. During the 1948-49 school year, it had only three members, but this year the membership is up to fifteen. In March of 1950, and again in January of 1951, the club presented a dance and entertainment which was a huge success. We hope to make this an annual affair. This year the club has new Irish history and language textbooks. Gaelic is studied at the Tuesday meetings; Irish history is taken up at the Thursday meetings. The club meets only these two days every week.

The Irish Cultural Society is an alive and growing organization which always strives toward its objective: The promotion of Irish culture among all the students of Leo.

The officers are:

Joseph Hogan, President.

Edward Rowley, Vice-President.

Ben Valentine, Secretary-Treasurer.

Learning a new language.

Frank Spink develops a shot of the Rita game.

Photography Club

This year under the direction of Brother Walsh the Photography Club has prospered greatly. Two of the members are on the staff of the Oriole and Yearbook. In addition to the members from last year there have been many new enthusiasts from first year. All members have the use of the darkroom facilities.

The club provides an interesting outlet from school work and has excellent darkroom equipment near at hand. An activity such as this may develop into a profession in later life.

Jim Brinkman enlarges a picture in the dark room.

History of the Mothers' Club

In December 1932 a group of Leo mothers met with the principal, Brother M. S. Curtis, with the purpose of organizing a Mothers' Club. A meeting was held at the school, to which all of the mothers were invited. Election of officers took place and Mrs. P. J. Byrne became the first president. The club was organized to sponsor cooperation between parents and teachers, and to interest parents in the social life of the school. This has been accomplished through the promotion of outside activities, by means of various incentives such as the first football banquet given in the cafeteria by the mothers. Other awards given in the form of scholarships, medals, letters, jackets and sweaters further

History of the Mothers' Club—(continued)

stimulated interest and competition in the various departments of the school.

Attendance of parents at school events not only helped financially but aided much in the rapid development of the social and cultural projects for which Leo is outstanding today.

From its humble beginning with a membership of ninety-three mothers, the club has grown to its present membership of six hundred.

Besides the financial and moral support given to the football, basketball, track, swimming, and boxing teams, the mothers have promoted activities of the band, the press club, camera club, Cisca, the dramatic and glee clubs, and finally, the newly formed Leo orchestra.

The Senior Breakfast has been sponsored by the club with the cooperation of the Fathers' Club. Since the club was founded eighteen years ago, it has made many contributions for school needs, not only donations as mentioned above, but to the brothers in appreciation of all they have done for the boys.

During the past year under the presidency of Mrs. Peter J. Joyce, the completion of the powder room adjoining the auditorium and the raising of funds for a home for the brothers, have been the aims of the club.

We, the Executive Board of the Leo Mothers' Club deem it a privilege to have served our Club during the Silver Jubilee of Leo High School.

We humbly honor the memory of the late Monsignor Peter F. Shewbridge, the founder of Leo High School, and a pioneer in parochial high school education.

We extend sincere congratulations to the pastor, Father Patrick Molloy, and the priests of St. Leo parish.

To Brother James H. Vaughan, principal of Leo High School, and to all the Christian Brothers of Ireland and lay professors who have taught at Leo during these twenty-five years, we express deep appreciation and ask God to reward them for their efforts extended in behalf of our boys.

To 1951 graduates and to "Leo men" of the past and future, may you always be a credit to your Alma Mater, never forgetting to mold your lives "Pro Deo et Patria."

Lastly, to the parents and those who by financial aid or otherwise have made the efficient functioning of the school possible, we say, "well done," and may we look forward to working together for the welfare of all boys who pass through the portals of Leo High School.

Legion of Mary

A meeting of the Legion of Mary

The Legion of Mary celebrated its first anniversary as a unit in Leo during the current year. The regular weekly meetings were characterized by a happy response in attendance and enthusiasm with the result that the theory and practice of the Legion has become part and practice of the daily life of the members. The Legion is thus a gilt-edged investment for any student aspiring to a full Christian life which, when all is said and done, is still the only life that may be termed successful.

Seated: George Sheeran, Brother Tuohy. Standing: Emmet Cassidy, Jack Thiede, Tom Patterson.

Missions

Our Lady of Fatima

The students of Leo have not been unmindful of their duty to help materially and spiritually the missionary activities of the Church. During this Silver Jubilee Year they have contributed \$2,500 to the Society for the Propagation of the Faith and \$1,000 to the Brothers' Missions in South Africa and India.

By attendance at week-day Masses, the reception of Holy Communion, and the recitation of many prayers and Rosaries, they have helped spiritually to maintain the heroic missionary Priests, Brothers and Sisters who are sacrificing themselves to spread the Gospel of Christ throughout the world.

Rev. William Devereux

Rev. Bennet Pendis, O. P.

Rev. Hugh Calkins, O. S. M.

Retreats

The high spot of every boy's religious life at Leo is the annual retreat. For three days the entire student body pauses to examine their lives in the light of constructive criticism offered by the Retreat Master.

With this yearly exercise, the Leo students find a firm foundation for their spiritual development. The retreat is one of the most important of the many high school activities designed to turn out a complete man.

Father Pendis conducted an excellent Freshman-Sophomore retreat. Father Calkins led one of the most successful Senior retreats Leo has had. We wish here to thank Father Devereux, who has given us a great deal of his time as chaplain, and has helped us so greatly in our spiritual life.

Poster Club

Ron Annen and Tom Callahan prepare a big one

Tom Sullivan and Don Boone getting started

The Poster Club was formed at the beginning of the year in order to advertise by means of artistic posters the various activities connected with the school.

The regular members of the organization are: Thomas Callahan, Thomas Sullivan, Ronald Annen, and Donald Boone. The work of these boys in producing so many posters during the school year deserves the highest commendation.

Thomas Graf and Frank Spink, though not regular members, have helped to lessen the work of the club by designing some of the larger and more elaborate posters. It is hoped that more young artists will join us next year so that the labor of each member may be greatly lessened.

Tom Graf. We won this one.

Mr. Allegretti passes out vocational literature to students

Tom Bastien, Wilfred Barowsky, Bill Houlihan, Professor Allegretti.

The Vocational Guidance program, directed by Professor Allegretti has completed its third year of existence.

The purpose of this activity is to help the student in selecting a specific profession or occupation, through counseling and individual screening.

In addition, representatives from some of our Catholic Universities and Colleges, including De Paul, Loyola, Xavier, St. Thomas, St. Benedict, St. Joseph (Indiana), St. Mary's (Minn.), talked to our Seniors to acquaint them with what they have to offer.

We sincerely hope that this program has been helpful to our upper classmen in making a step forward in the right direction.

The *Lion* staff would like to express their deepest appreciation for the co-operation of the Faculty and the student body in helping to make this Anniversary Yearbook a great success.

Our chief purpose is to bring the *Lion* as a panoramic portrayal souvenir of a year of tender memories and care-free fun and a reminder of the greatness of the school. Never in the history of Leo was a mixture of determination, good business sense, and cooperation more essential in the production of an annual. We have labored through mounds of new formats. We have tried to cover the school activities with more and better pictures, new ideas for layouts and copy. We edited a supplement to cover the past twenty-five years of Leo. Pictures of early coaches, teachers, principals, numerous championships won by the school, and a general idea of the history of the school and its activities are portrayed in this supplement.

We wish to thank Frank Spink and Russ Mitcham who have helped us in finishing the yearbook and who will occupy positions on next year's staff.

The Oriole

Through the efforts of its moderator, Br. J. G. Keogh, and its staff, the student publication of Leo High School has reached greater heights in the field of journalism. In compliance with the wishes of the student body and in keeping with the modern trend, the *Oriole* now boasts a new format and a larger number of greatly improved pictures.

During the past year, the editors and moderator of the *Oriole* have endeavored to bring to the students and public a cross-sectional view of Leo. Fulfillment of this aim has been made possible by the many members of the staff who have unselfishly donated their time and energy throughout the year.

Leo Fathers' Club

The Leo Fathers' Club fulfills a very important function in the life of the school. The thing dearest to the heart of a father is the education of his son. The thing dearest to the heart of a teacher is the education of his student. Since the object of both is the same it is necessary that a spirit of cooperation should exist among father, son and teacher.

It is by means of the Leo Fathers' Club that this spirit of cooperation is brought about. At no other period in a boy's life is it possible and necessary to have this team work. When a boy enters Leo he is a child; when he leaves he is on the threshold of manhood.

Under the capable and inspiring leadership of this year's president, Mr. William Daly, and his active officers, the Club has continued the fine tradition of its former presidents, officers and members.

The 1950-51 Choral Club is probably Leo's largest and certainly one of the best in the history of the school.

Boasting a membership of more than one hundred and fifty boys, many of whom have been in the club three or four years, this organization has shown a very marked development in all those qualities that make for a well-trained and versatile glee club.

During the year, this choral group has given several concerts, one of which was on the Morris B. Sachs Christmas Television Program. From its ranks was selected a special chorus of seventy voices which with a girls' chorus of sixty voices staged the operetta, "The Forest Prince."

Socially and from the standpoint of Catholic Action we feel and have been told that much good has been accomplished by the working together of our boys with the girls of the various schools which have teamed up with us in the work of the operetta.

To Miss Esther Rehberg, sympathetic and hard-working choral instructress at Leo, and to Brother Murphy, choral moderator, goes the credit of selecting, training and getting into shape the members of the Choral Club and the operetta choruses.

Our congratulations to the Choral Club and its leaders for a year of inspiring and cultural work well done.

Athletics...

The importance of athletics in education has been attested lately by nearly all educators. Popes also have praised organized athletics as a means of enhancing the body as a temple of the Holy Ghost. Sports can aid in supplying the moral and physical strength necessary for America to permanently defeat Communism. In accordance with this, it is the hope of Leo High School that each student participate in sports to some extent. For this reason we are fortunate in having the best of athletic facilities and coaching within reach of all. The Leo graduate can contribute his share towards the maintenance of the Free World through the virtue and sportsmanship so attained by physical endeavor.

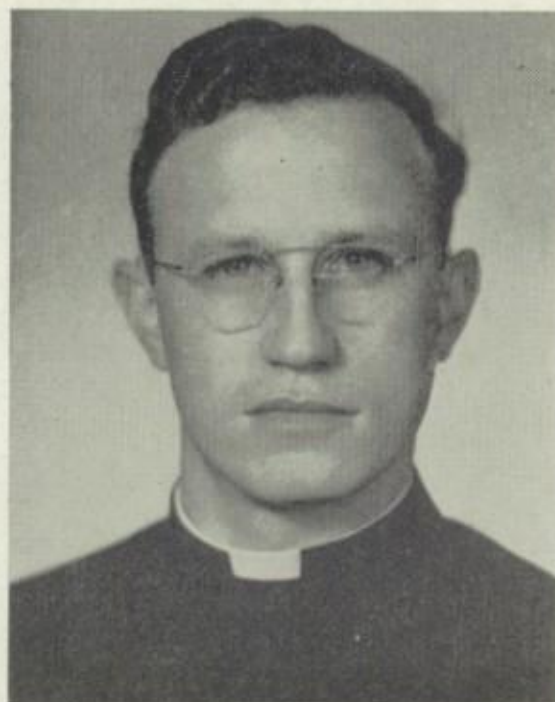

The *Lion* proudly presents the athletic achievements of our Silver Anniversary Year, attempting to permanently record another Championship Year at Leo thoroughly worthy of its predecessors.

Leo 12 . . . Weber 27

In their first pre-season game of the year the Lions lost to Weber. John Moynihan and Ray Topolski scored for the Lions.

In their second pre-season game the Lions beat St. Philip 20-19. Ross Barcelona scored twice, and Ray Topolski made a thirty-nine yard touchdown run. Jim McNulty made the winning conversion.

Leo 20 . . . St. Philip 19

Leo 31 . . . Wendell Phillips 6

Leo trampled Wendell Phillips in their last pre-season game. John Moynihan scored on a twenty-nine yard run, and then Ross Barcelona intercepted a pass and ran 65 yards. John Cora scored on a pass, John Lynch intercepted a pass, and Jim McNulty finished the scoring by running 7 yards for another tally.

Leo 26 . . . Holy Trinity 0

In the first league game Leo trounced Holy Trinity. Ross Barcelona scored fourteen points and Ray Topolski scored twelve.

Leo 21 . . . St. Elizabeth 12

St. Elizabeth surprised Leo but the Lions won out 21-12. Two touchdowns were scored by Ray Topolski and one by John Moynihan. Ross Barcelona kicked all the extra points.

Leo 12 . . .

St. George 6

Leo showed the fighting spirit of a championship team as they outplayed a strong St. George team. John Moynihan scored the first touchdown and Ray Topolski ran over from the two-yard line in the closing minutes of the game.

Leo 26 . . .

St. Rita 7

In the Annual Mercy Benefit game, some 30,000 people saw Leo trailing at half time 7-6. John Eckenstien scored the only first period touchdown. Leo's comeback in the second half overpowered the Rita team. John Cora started things by recovering a fumble. Ross Barcelona, Jim McNulty, and John Moynihan scored for the winning margin.

Leo 0 . . . Mt. Carmel 27

About 40,000 people saw Leo lose their only game of the season to a much superior Mt. Carmel team that went on to win the City Championship. Leo had good defensive play with John Lynch, Jim Corbett, Morgan Murphy, and John McInerny.

Leo 31 . . . De La Salle 0

Leo made a great comeback after their only loss, to Mt. Carmel, to give De La Salle a trouncing. This put Leo in a final second place. John Moynihan ran 16 yards for the first touchdown. Ross Barcelona recovered Moynihan's fumble and ran for another touchdown. John Moynihan scored again on a spectacular fifty-five yard run. John Eckenstien scored on a pass and Jim Perkins scored the final touchdown from 43 yards out.

The Heavies this season were not too successful in league competition. They proved themselves to be a fighting outfit, however, by grabbing third place in the St. George Tournament. This team won 4 league games and lost 8. There were several actual and potential individual stars on the quintet. The outstanding player, in everybody's mind, chosen on the All-Catholic League newspaper team, and high scorer for the season was Dan Halling. It was Dan who kept this team up in the scoring. Captain Jerry Coyne was also one of the mainstays of the team.

An Anniversary Season

The Lights this year had a highly satisfactory season, emerging as South Section Champions of the Catholic League. This team was made up largely of experienced players and every man was an excellent ball handler and a good shot. This team lost only one league game. Dave Donegan was an inspiring captain whose all-around play entitles him to rank with the great Leo captains of past years. First in scoring, and generally recognized as the best lightweight center in Chicago, was Ray Topolski, who completed the season with a total of 203 points. This made him third high in the Catholic League. Other players on this championship quintet were: Pat McCue, Pete Lyne, and Bill Korn.

The swimming team looks back upon a year of moderate success; moderate because the emphasis has been on greater attainments in the near future. Victories were chalked up in five out of the seven junior meets which were held with various schools. Outstanding among the members of the team was the captain, Pete Bartu, who shows promise of interesting results in the next two years at Leo. Most of the members of the team have shown remarkable improvement and have come to realize what a swimming team is.

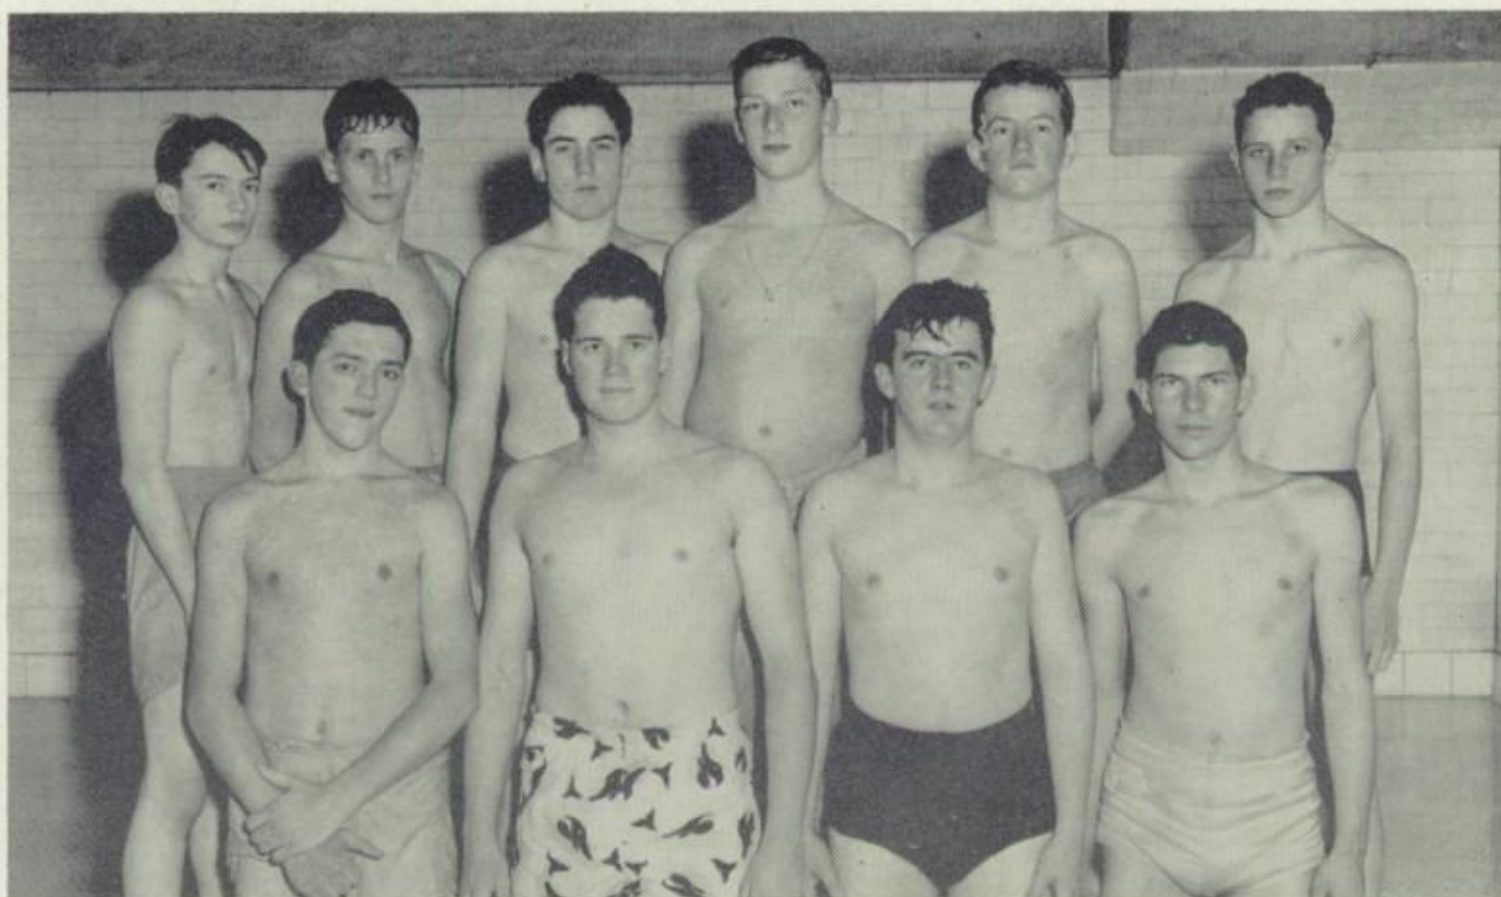

The general interest of the student body was stimulated by the intramural swimming meets which were held between the classes in the sophomore and in the freshman years. 2A

took the sophomore championship with ease, mainly because of the large number on their team. The freshman title was captured by 1C. The polo program was rounded off by teaching a group the skills of water polo and finally by teaching a considerable number of beginners to swim.

A trophy and 32 medals were an indication of the success of the up-and-coming Leo cross country squads last autumn. John Cooke and Denny Malec were the co-captains of the senior squad, and they were ably supported by their teammates whose pictures are on these pages. John Cooke and Paul Six were the only seniors on the team, and, although they will be missed next fall, a strong group of veterans will take over.

The junior squad was undefeated and easily won the Catholic League Championship. From this team five powerful sophomores will move up to reinforce the senior squad, while the freshmen will be back to lead next year's team to another championship.

The Future Looks Bright!

With the coming of the spring season, huge numbers of "hopefuls" have turned out for the team. The varsity will be composed of experienced athletes such as seniors Jim McNulty and Paul Six and a potent group of juniors who made an imposing record last spring. Larry Somerville will run the hurdles and, with Jim Lyne, will handle the pole vaulting. Danny Schaefflein, who won the 100 and 220 yard dash titles in the Junior Championship last year, will try for bigger and better things. Denny Malec, our high jump star, will be soaring to new heights, and Jim Savage and Jack Wall will be burning up the cinders on the half-mile. Pete Foy will go the mile distance. Too many other track stars are on our horizon to mention all, but Brother Brown, the coach, is confident that both senior and junior teams are going to have a big season for 1951.

Yes, indeed, the future looks very, very bright.
